Certification: FAC-COR - Contracting Officer's Representative

Report Date: August 11, 2015 -- Certification Status: CURRENT

The individuals listed in this report possess a COR certification with a "Current" status, and are therefore eligible to be appointed by a Contracting Officer to perform as a COR. For details on processing the Continuous Learning Points (CLPs), visit: <http://oamintra.epa.gov/recertification>. The COR's certification status will remain "Current" or valid through the SUBSEQUENT two year training cycle, once the Continuous Learning (CL) Achievement Request is APPROVED. Any other CL Achievement Request Status indicates the COR's certification will expire/ lapse after the applicable Training Cycle End Date displayed below. The COR will accordingly be removed from this report.

CL Achievement Request Status:	Approved: the COR's certification will REMAIN "Current" or valid through the SUBSEQUENT two year training cycle (i.e., two years after End Date displayed below).
	Bureau CL Manager Pending: the OAM's Training Team must review the CL Achievement Request as the final approver.
	Disapproved: the COR must resend the CL Achievement Request, in accordance with the reviewer's remarks found in the original request.
	N/A: the COR did not yet earn, or was not yet awarded the requisite minimum number of CLPs during the two year training cycle displayed below.
	Ready for Submission: the COR must initiate the CL Achievement Request for the Supervisor's review.
	Supervisor Pending: the COR's Supervisor must review the CL Achievement Request. The approval automatically routes request to the OAM's Training Team.
